

HYPERTONICTM

Nonionic Surfactant

- Hypertonic is a high active ingredient nonionic spray adjuvant designed to enhance the effectiveness of herbicides which recommend the addition of a nonionic surfactant. Hypertonic is designed for maximum performance in multiple environmental conditions.
- Hypertonic should be applied at rates recommended on the herbicide label.
 - Typical use rates will be 0.25-0.5% v/v.
 - Package Sizes:
 - 4x1 gallon case
 - 2x2.5 gallon case
 - 30 gallon
 - 110 gallon

Always Read All Pesticide and Adjuvant Labels Prior to Use

HYPERTONICTM

Nonionic Surfactant

Principal Functioning Agents:

1,2,3-trihydroxypropane, 1,1'-dihydroxydiethyl ether, and alkylpolyglycoside	90%
Constituents ineffective as a spray adjuvant	10%
TOTAL	100%

WA REG NO. xxx-xxx

All ingredients are exempt from tolerance requirements under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN CAUTION

**Read Entire Label Before Using This Product
SHAKE WELL BEFORE USING**

Avoid contact with skin, eyes or clothing. Do not take internally. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. In addition, follow precautionary statements on all products used with this material. Clean affected clothing, shoes, and protective equipment before reuse.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

A BRAND OF

GENERAL INFORMATION

HYPERTONIC™ is an excellent quality, nonionic surfactant. **HYPERTONIC™** can be used with most insecticides, fungicides, herbicides, acaricides, defoliants, desiccants and wettable powders to improve performance of the active spray ingredient by giving them more uniform distribution and better wetting of the plant surface. **HYPERTONIC™** meets the requirements of most pesticide manufacturer's for a 90/10 surfactant.

MIXING INSTRUCTIONS

Follow the instructions on the pest control product manufacturer's label. If there are no specific instructions, add **HYPERTONIC™** after the pest control product has been thoroughly mixed into the tank mix water and preferably after all products have been mixed into the tank.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. Shake well before using.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of West Central Inc. or the seller. All such risks shall be assumed by the buyer. West Central Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. West Central Inc. makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall West Central Inc. or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. West Central Inc. and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of West Central Inc.
